POSITION
RUNNING BACK

DE'ANTA SIPP

5'8" - 195lbs

RB

STRENGTHS:

Strong Powerful Effort RB. You better bring more than one defender to bring this guy down. Every down back.

He will make you miss twice if you try to arm tackle.

- Excellent hands
- Runs great middle range routes
- Makes great hole decisions while running.

WEAK POINTS:

5'8 is a visual weakness at first sight. He overcomes that once you see him explode while running & catching the ball.

Killed his level of play in USA and Euro Leagues

SUMMARY:

This is a Pro Level RB. He displays all of the skills to play at the highest level with elite 4.4 speed to go with great running ability, route knowledge, and great hands. He is a total package. NFL/CFL

RB

COMPARISON:

- Emmitt Smith
- Beast Mode - Marshawn Lynch
