## *Wide Receiver Collin Wilson continues his NFL Draft Dreams at KC Chiefs Local Day*

On Tuesday, April 9, Collin Wilson will be one step closer to his dream of playing in the NFL. Ready to "Put on a Show" at the Chiefs Local Day, which is Invitation Only, Collin is more than excited to showcase his talents for the first time on the field of Arrowhead Stadium.

A registered nurse and a graduate of Washburn University, he follows the footsteps of his father who was a Hall of Fame National Champion at Washburn, and his brother, Michael Wilhote, who played 7yrs in the NFL and now coaches for the Denver Broncos.

From Topeka, KS, Collin has been overcoming adversity since the age of 10, when his father passed away. Since that time, Collin has proven his drive and ability to overcome at all costs. Collin was a 5'2" HS Freshman with one college offer coming out as a Senior. He now has the opportunity to set himself apart from the rest in this 2024 Draft Class. Currently residing in Overland Park, the 6'2" – 205lbs Wide Receiver has been honing his skills on the field every chance he gets. Collin brings an intense focus and ability to deliver in pressure moments, something the Chiefs Offense suffered from all last season. With this moment, Collin looks forward to entering his name amongst the 2024 NFL Draft Prospects who will be called in the first 3 rounds beginning April 25th.
